

ATV Newsletter (July 2009)

Dear ATV Riders,

Sorry about the lousy weather. I'll try to email The Powers That Be and see what I can do!!!

I'd like to begin with membership. At last count, we have about 180 members and thank you to them. To anyone who has not joined, just a reminder that you need an ATV of Maine sticker and a 2009 local club sticker on your machine to ride on Irving Land. This will be the LAST mailing this year. We have a website: **valleyatvriders.com** where you can check any updates which will be posted and get a 2009 membership form. Also check Bert's Corner for updates on the website.

Before I forget, please support your local ATV Dealers who are very supportive of Valley ATV Riders; **Audibert Polaris, Corriveau Arctic Cat Plus, Fort Kent SkiDoo, and Roger's Sport Center** where you can get membership also. Trail Maps by NMDC available at dealers.

A couple things worth mentioning at this time. Would anyone who borrowed our wheels and tires off of our ATV trailer, please return them or if anyone knows who did, please let us know? Also, part of the trail has been closed near Route 11 to the Michaud Farm Road going to Carter Brook and Fort Kent due to someone not staying on the trail. If anyone has any information, please Call me at 834-5152 or any member of the Sly Brook Club.

Next meetings: 1st Tuesday of the month-July 7, August 4, September 1, and October 6, 2009. Hat and Shirts will be on sale at these meeting.
Sincerely, Bert Levesque, Secretary of VATVR
