Need # ___ of ATV Maine stickers (see below) *most previous members should have

Mail membership form to: Valley ATV Riders, PO Box 192, Fort Kent Mills, Me. 04744

Hi Fellow ATV Riders,

I know we are all anxiously awaiting the opening of the trails but we must all keep in mind that we must respect all landowners and be sure the trails are dry and passable. I believe our usual target date of May 15th which is a Saturday this year should be acceptable, depending on the weather, of course. I believe Maine law requires that mud season be observed and all trails be closed during this period.

Newsletter may not be sent every month but updates throughout the summer will be posted on our website: valleyatvriders.com and on Bert's Corner which can be viewed through the website. Should you be riding and come across a problem, please contact me at 834-5152 or 231-4185 or Don Ouellette at 834-5742 and let us know. We hope to have Bruce Morneault again this year to maintain the trails and keep them passable. He certainly has done a great job the past few years and hopefully has made your ride more enjoyable. The officers of Valley ATV Riders are always working to keep the ATV riding in the Fort Kent area at its best. We are always on the lookout for new officers and helpers so don't be afraid to volunteer and we appreciate all those who have helped us in the past and especially the people who had the insight to form Valley ATV Riders many years ago!

So, please mail in the above registration form for 2010 to help support the Valley ATV Riders of the greater Fort Kent area. Remember, you must display a 2010 sticker from a local ATV club along with the ATV of Maine sticker to ride on any land belonging to Irving Woodlands.

Remember to support your local ATV dealers: Audibert Polaris, Corriveau Arctic Cat Plus, Fort Kent SkiDoo, and Roger's Sports Center and drop in to see the latest models of ATVs.

Sincerely, Bert Levesque, secretary of Valley ATV Riders
