

2nd Membership Drive of 2012

Dear fellow ATVers,

It's come to the club's attention that many of you do not realize that in order to ride on Valley ATV Riders trails and most trails in the area, you must have on your atv an ATV Maine sticker and an updated local club stickers. When Irving Woodlands give yearly permission to ride on their land, it is with an understanding that the riders belong to a local club that has a liability insurance and belong to ATV Maine. This will be last mailing for 2012. As an ATV rider, you should support your local club. Landowner permission, purchasing liability insurance, and trail maintenance are just some of what the Valley ATV Riders do for you. Below, find a membership application. Thank you.

Valley ATV Riders Membership Application for 2012

Name _____

Address _____

Tel. # _____
