June 10, 2012

Fellow ATV Riders,

Just a few words to express appreciation to those who have paid their membership dues early – Thank You! ...and encouragement to those who have not yet taken the time – Please do it now.

The VATV Riders trails system – 42 miles, does not happen by chance. I'd like to Thank Bert Levesque, who has contacted all the landowners our trails cross and asked permission to cross – on your behalf. Also, Danny for asking the Fort Kent Town Council permission for some roads.

Also, in order to ride on Irving land, ATVers must belong to a club having the current Liability Insurance. The Fort Kent VATV Riders do have that insurance. Please tell others to get the current 2012 club sticker by contacting Bert or Don or getting the application at our website – [www.valleyatvriders.com](http://www.valleyatvriders.com).

We have been working on maintenance of trails. One existing condition ***we need your help with is dust control and keep the noise down.*** Please slow down in town, around walkers or where homes exist. We have been spreading calcium, but your assistance is a must. This is a serious problem.

We are monitoring the trails with video surveillance, please obey the signs and stay on the trails. Last, but not least, the officers of the Valley ATV Riders are "Volunteers For the Sake of Others"! We hope you appreciate our efforts.

Don Ouellette, Treasurer, VATV Riders
