

Membership Drive of 2014

Dear fellow ATVer,

It's come to the club's attention that many of you do not realize that in order to ride on Valley ATV Riders trails and most trails in the area, you must have on your ATV an ATV Maine sticker and an updated local club sticker. When Irving Woodlands give yearly permission to ride on their land, it is with an understanding that the riders belong to a local club that has a liability insurance and belong to ATV Maine. This will be only mailing for 2014. As an ATV rider, you should support your local club. Landowner permission, purchasing liability insurance, and trail maintenance are just some of what the Valley ATV Riders do for you. Below, find a membership application. Please take the time to read the entire application and check for ATV Maine sticker. Thank you.
